

BE LIKE CARY IN THE... LIBRARY

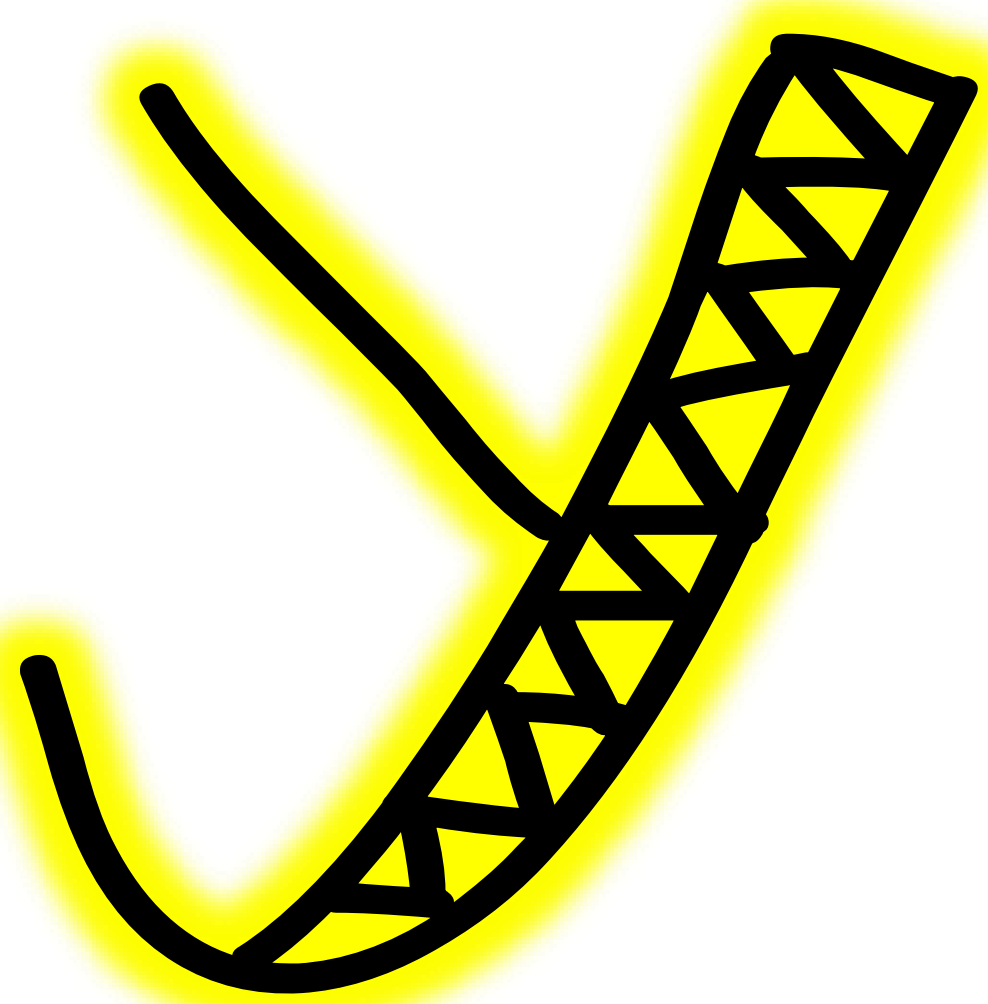

- I help others find books if they need help.
- I help replace misplaced books.
- I encourage others to stay quiet and focused.
- I share my learning space with others.

-
- I use CARY Voice Level 1.
 - I work hard to find books on my reading level using a shelf marker.
 - I practice reading so that I can improve my reading performance.
 - I follow the librarian's directions and expectations.
 - I take care of the books I check-out.

-
- I respect the librarian's expectations while I am in the library.
 - I respect the books and all materials.
 - I push my chair under the table when I get up, and clean up after myself.
 - I respect others' quiet reading time.
 - I respect the books I check-out from the library by keeping them in good condition.

-
- I help others check-in and check-out books, if needed.
 - I walk when I enter the library, while I am in the library, and when I leave the library.
 - I do my part in making sure the library is neat and organized.
